

Connect Tech Inc.

Industrial Strength Communications

Restriction of Hazardous Substances (RoHS) statement of compliance

The Connect Tech products listed in the table below are compliant with the EU directive 2002/95/EC on the Restriction of Hazardous Substances that came into effect on July 1, 2006.

We have created specific part numbers for RoHS compliant products. The letter 'G' has been added to the prefix of RoHS compliant models. Connect Tech Inc. hereby declares that the following product families are RoHS compliant:

Product Family	RoHS Part Number
